## Clothing Talk

Clothes that satisfy. This is the only kind we handle, we do not patronize houses who manufacture clothing that simply look good for a day or so; but a line that is sold on its merits, is the only kind that can be found in this store.

### INDEPENDENT STEAMER FOR HILO SUGGESTED

ports of an independent steamship. It would be the idea to have this vessel's business supported, of course, by the merchants.

Mariner had been asked to feel the mercantile pulse and report to his clients.

Secretary Deyo thought an independent boat would be a good proposition if it would call at small ports and gather freight for big steamships building and operating between Island States or foreign ports.

# PRIMO PALE

Is brewed under scientific sanitary conditions and the scientific treatment is continued through every department. Up-to-date machinery handles the bottles during the washing, filling, pasteurizing, crowning and covering, and even after the bottles are put in containers the automatic handling still continues as shown by this illustration of the gravity conveyor and lift to the shipping and loading room.
